10 YEAR STRUCTURAL WARRANTY

Aifeel Spas warrants the structure of the shell against loss of water caused by defects in the workmanship and material for a period of 10 years.

5 YEAR ACRYLIC WARRANTY

Aifeel Spas warrants against loss of water through the acrylic spa surface for a period of 3 years. Aifeel Spas warrants the acrylic surface against cracking, bubbling, blistering, and delamination caused by defects in workmanship. Always place the hard cover on the Spa when not in use as warranty does not cover damage or discolouration to the acrylic surface caused by excessive heat or long exposure to the sun (UV). Never use harsh chemicals directly on the surface of your spa as this can cause the shell to blister or crack and this will also not be covered by your warranty. Please make sure you are using the correct chemicals as spas that have received chemical abuse will not be covered under this warranty.

2 YEAR CABINET STRUCTURAL WARRANTY

Aifeel Spas warrants the structure of the cabinet against failure to support the spa due to faulty workmanship and materials for 2 Years. Make sure your spa is on a flat and solid surface, as the warranty will not apply if your spa surface is not level.

2 YEAR JET REPLACEMENT WARRANTY

Aifeel Spas warrants the jet faces and fittings for a period of 2 years against defects in materials and workmanship. This warranty is limited to the supply of parts only no labour.
